\$1,000

TUITION CREDIT!

The DCCS Family Referral Incentive Program offers a \$1,000 tuition credit to any current Dream City Christian School family for referring new families who enroll in our K-12 program for the 2023-2024 school year. You are our best ambassadors, sharing positive experiences through simple word of mouth to families, friends and colleagues. If the family enrolls mid-year, you will receive a prorated incentive.

Please help us share our pride with others!

Description and Procedures

For a current family to be eligible for the incentive:

- Referring family must have a child or children enrolled at DCCS K-12 full-time.
- None of the referred students may be an immediate family member or living in the same household as the referring family.
- Referred families must be new to DCCS and enrolled in grades K-12 full-time.
- **The referred family must present the referral card provided by the referring family, at time of tour.**
- The tuition credit will be applied to your account at the end of each month the referred family remains enrolled and financially current (\$100/10 months). If your account is already paid for the year, you may use it to pay for your first month tuition/enrollment for the next school year. Referring families may choose to allocate the incentive to other programs within the school. Tuition credits hold no cash value.
- Early withdrawal from DCCS (current family or new family) will invalidate the tuition credit.

Referred family benefit:

- Referred family will receive 50% off of the enrollment fee(s), which will be posted to their account after their child is enrolled.
